EMERY CONCERT BAND

Our guests tonight are our near neighbours from Emery Collegiate Institute. Since Westview was opened in 1967, our Music Programme in the school has been greatly enhanced by the numerous "Get-Togethers" for Teach-Ins and Concerts.

Emery and Westview are modestly proud of their origination of the Music 'Teach-In' concept of education- a technique which has now been adopted by numerous schools in Ontario. The Senior section of the Emery Band will be combining with our own band in providing the incidental music to the Battle of Queenston Heights. We extend a warm welcome to the Emery Band.

****

The Westview Music Department greatly appreciates the valuable assistance and support extended to it both in presenting this concert and throughout the year by the entire student body, faculty and staff of Westview.

Special Thanks ---- The Commercial Department
The Art Department
The History Departments of Emery and Westview
Mr. Beith - for printing tickets for so many concerts this year
The French Department

THE WESTVIEW BAND SUPPORTERS CLUB

If you are interested in assisting an already thriving Westview Band Supporters Club Executive in any way, please contact Mr. Martyn Hedges .. President of the W.B.S.C. He would be particularly interested in talking to you on any ideas you may have for fund-raising.

The Westview Band Supporters Club are tentatively planning a European Tour for the Band in the summer of 1970. So please give Mr. Hedges a call soon.

All members of the Band wish to publicly thank the Supporters Club for their wonderful work this year, especially for their assistance in helping finance our ten day tour of Nova Scotia in March of this year.

The horses being used for the Battle of Queenston Heights are loaned to us by the Crown 7 Ranch at Steeles and Jane. We thank them for their co-operation.
